

13 August 2021

# Loreto Kirribilli Innovation Centre

## Information for our Neighbours

Construction of the Innovation Centre re-started on Monday 2<sup>nd</sup> August 2021 with safety measures in place as per the NSW Health Orders.

Recently, we have continued our work to fitout Lower Ground Level 1 and below. Work also commenced on the building façade on Level 1.

In the coming weeks, construction work will continue but may not proceed as initially planned. We will provide progress updates in these notifications in the coming weeks.

We care for the safety of our construction teams and the Kirribilli community, and will continue to follow NSW Health advice to ensure that work is being completed in a safe manner.

For enquiries or concerns, please contact the Project Team via the contact details below.
